Who We Are

Since 2007, United For The Troops (UFT) has been collecting, and distributing the items our American heroes say they miss most while serving abroad. Our personalized gift boxes say "we care."

Our Mission

Bringing a little comfort to our troops by supplying food, toiletries, and personal goods the US military does not provide.

United For The Troops is a 100% volunteer driven 501 (c)(3) nonprofit.
